

Acquisition Career Management Integrated Digital Environment

Commitment

Mentoring, professional development planning, and utilization are vital to our goal of recruiting, developing and retaining a cadre of exceptional acquisition workforce members.

Vision

MyAcquisitionCareer.mil

Provide clear policy, flexible procedures, comprehensive guidance and the information environment (portal) that will enable Air Force acquisition personnel and those supporting the Acquisition Professional Development Program, to effectively plan, execute, fund and record acquisition professional development activities.

Goal

The Air Force Acquisition Career Management Integrated Digital Environment (IDE) is committed to delivering a fully integrated, easily accessible and secure acquisition workforce professional development environment, that provides authorized individuals complete, accurate and timely acquisition personnel data, and professional development products and services, on demand.

Assumptions

Creating an integrated digital environment will require further changes in the culture and work processes of SAF/ AQXD

SAF/ AQ shall provide support in the removal of impediments and in the provision of rewards or incentives as may be appropriate

Assumptions

(Cont'd)

*In the area of **workforce planning**, we need to explore and implement better ways to forecast skills changes, anticipate workforce trends, and plan for meeting their professional development needs.*

*"We need state-of-the-art **decision support** platforms that convert data into information and provide our customers with the tools **to make better informed decisions.**" —*

Assumptions

(Cont'd)

Working with the Air Force and DoD Personnel communities, we will provide the: career planning guidance; information environment; and resources necessary to sustain an effective Air Force Acquisition Professional Development Program (APDP).

End State

*This new environment will **enable employees, their managers and the people supporting the APDP to access and control** relevant acquisition **personnel information** and **professional development** services on demand.*
